Directions:

The workshop trainer or registration personnel will sign your **Workshop Attendance Validation Form** at the beginning of the workshop and at the end to verify attendance at the entire workshop. The trainer will ask all individuals registering for continuing education in the form of Professional Development Graduate Elective Credits to remain after class for a few minutes for signatures and questions. Unfortunately, the agreement with Chapman University does not allow trainers to sign verification forms for individuals who must leave early. The course work is based on the entire content outlined in the syllabus. Signatures verifying attendance are given immediately following the close of the workshop.
